

# COHABITAT WAKEFIELD

**pour un mode de vie durable ✨ for a sustainable way of life**

## ACTIVITY REPORT – 2019-2020

- “Apple Fest” day for members where apples were picked and processed among laughter and enriching conversations into apple butter, applesauce and apple cider
- Addition of 22 support members (for a total of 48 members as of August 31<sup>st</sup>)
- Holding of monthly meetings for support members
- Meetings with the Director General of the Municipality of La Pêche, our municipal councillor and our federal deputy in order to advance the transfer of land from the NCC
- Creation of an online survey in order to:
  - collect demographic data to support funding application
  - gather information for the typology of the project, i.e., number of dwellings and bedrooms
  - inventory the resources and skills of the prospective residents
- Start of the design process with architect Lino Alves
- Further development of the project description and networking with various organisations as part of our partnership strategy
- Approval of funding request to the Green Fund of the Municipality of La Pêche
- Participation in meetings of the Table autonome des aînés des Collines (TAAC) as well as in the symposium “*Entre aînés, prenons notre place*” about the needs of the aging population
- Participation in meetings of the *Commission aménagement et milieux de vie* et de la *Commission sécurité alimentaire* de la Table de développement social des Collines-de-l’Outaouais (TDSCO)
- Training:
  - Workshops by the Fédération intercoopérative en habitation de l’Outaouais (FIHAB): “*Qu’est-ce qu’une coop?*”, “*Préparation des états financiers pour les coopératives d’habitation*”, “*La sélection et l’accueil dans une coopérative d’habitation*”
  - Workshop by Cinema & Media Arts: “*The Making of a Documentary*”
